UPDATES ON MASJID SUSPENSION & RAMADHAN SERVICES & ACTIVITIES IN LIGHT OF COVID-19 PANDEMIC

Assalaamu Alaykum,

18th April 2020

With the profound changes that the current Pandemic has brought upon with it, we would like to keep you informed about the services and activities at our Masjid.

Friday Jumuah & daily Congregational Salaah

The Friday prayers and other congregational prayers remain suspended until further notice due to the ban on public gatherings by the government. We will revise this decision in light of the Government's announcement after the lockdown. We are taking these measures in line with the Government guidelines and advice so kindly we would appreciate your full co-operation.

Ramadhan 1441AH/ 2020

Ramadhan this year is expected to start on Friday 24th April. First Taraweeh Salaah could be performed on Thursday 23rd April. A precise announcement shall be made closer to this date. Please keep updated through our website.

Taraweeh

Everyone is requested to perform their Taraweeh Salaah at home throughout Ramadhan. This is a great opportunity to pray as a family where the mature male will lead the others in Salaah and the women of the house can join.

Children's Madrasah Classes

The Madrasah shall continue online via the Zoom app. For further information or queries please contact the Imam or Apa.

Womens weekly Class

The weekly class for local women will continue via phone etc. Please contact Apa for further information.
